EXECUTIVE SUMMARY

B.Tech Computer Science student specializing in Artificial Intelligence and Machine Learning (AI & ML) with good knowledge of Python and C programming. Interested in AI, machine learning, and software development, with hands-on experience in developing small projects and exploring real-world applications. Looking for opportunities to apply my technical skills, gain practical experience, learn from industry professionals, and contribute to innovative projects.

INTERNSHIP

Cybersecurity + AI

Woollema Infosec Pvt. Ltd

May 2026 – July 2026

- To gain practical experience in cybersecurity by applying knowledge of ethical hacking, vulnerability assessment, and network security while enhancing my technical and problem-solving skills in securing digital systems.
 - The internship involved working with **Kali Linux**, **Burp Suite**, Nmap, **Wireshark**, Linux, and **Metasploit** for security testing, while also learning Networking Fundamentals, the **OWASP Top 10**, and the role of AI in Cybersecurity. Completed a hands-on internship in Cybersecurity and AI-driven Security.
 - Gained hands-on experience with cybersecurity tools and techniques, enhancing my knowledge of web, network, and application security while developing analytical, problem-solving, and ethical hacking skills.
-

PROJECTS

ATS Resume Analyzer

Internal Project

March 2026

- Developed an AI-powered ATS Resume Analyzer and Resume Generator to evaluate resume quality, improve ATS compatibility, and generate professional resumes using NLP techniques
 - Developed using HTML5, CSS3, JavaScript, Python, Flask, spaCy, **NLTK**, **TF-IDF**, **PDF.js**, **Mammoth.js**, **FileReader API**, and **OCR** to build an AI-powered ATS Resume Analyzer and Resume Generator
 - Analyzed resumes, generated ATS scores and improvement reports, identified skill gaps, and created ATS-optimized resumes with 12 professional templates for 40+ technical job roles
-

CERTIFICATIONS

Sitams Anveshan

SITAMS College

March 2026

- Secured First Prize in the Debugging Competition at ANVESHAN 2026, demonstrating strong programming, debugging, and problem-solving skills.
 - Awarded Second Prize in the Project Expo at ANVESHAN 2026 for presenting the ATS Resume Analyzer, showcasing AI-based resume evaluation and ATS compatibility analysis.
-

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science Engineering – AI&ML

Sreenivasa Institute Of Technology & Management Studies (Autonomous), Chittoor, Andhra Pradesh

Duration: 2023 – 2027(excepted) | * Current CGPA: 7.24

TECHNICAL SKILLS

- **Languages:** Python, C
- **Web Technologies:** HTML, CSS, JavaScript
- **Cybersecurity Tools:** Kali Linux, Burp Suite, Metasploit, Wireshark,
- **Soft Skills:** Communication, Coordination, Team Collaboration
